Protocol 1

Protocol 2

Protocol 3

Protocol 4

Figure 1 – Four protocols for Sleeping Beauty. Solid lines are used for Nature's assignment of probabilities, while dotted lines indicate conditionalization on Beauty being awake.

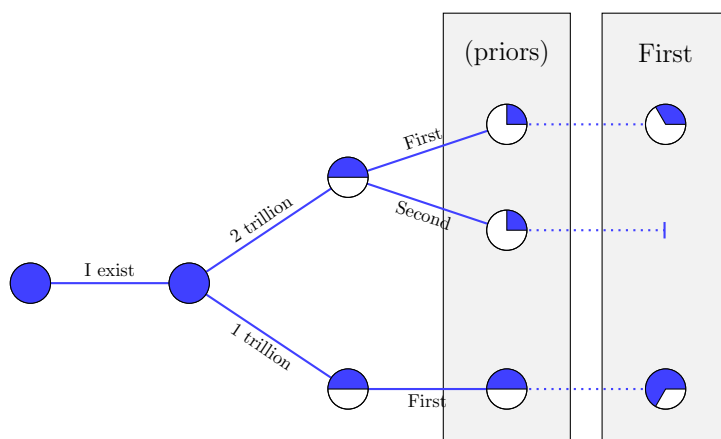

Figure 2 – Doomsday according to Halpern's first protocol and Bradley. It is here made explicit what the final probabilities are conditionalized on.
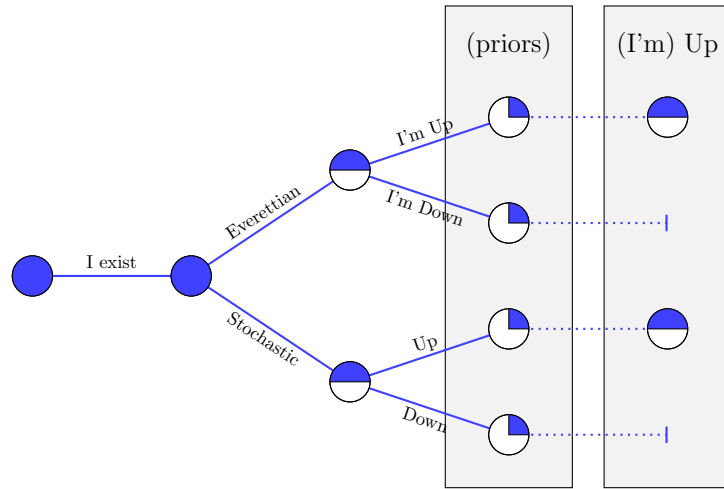

**Figure 3** – Quantum Mechanics according to Bradley

**Figure 4** – Fine-Tuning according to pseudo-Bradley

**Figure 5** – Fine-Tuning according to Bradley
